SUMMARY

- Completed academic and personal projects involving the design and development of web-based applications using **Spring Boot** and **Spring MVC**.
- Gained hands-on experience in projects utilizing **Spring Boot**, **Java**, **OOPS concepts**, **jQuery**, **AJAX**, and **MySQL**.
- Recognized for producing clean, maintainable code and delivering project milestones on time during academic work.

PROJECTS

1. BookStoreE-commerceApplication

Description:

- Managed end-to-end development of an e-commerce website for a bookstore, facilitating seamless browsing and purchasing.
- Implemented customer feedback features such as book ratings and comments to enhance user interaction.
- Designed and built an admin panel for efficient book and customer account management, ensuring optimal site performance.
- Ensured website functionality and user experience through comprehensive testing and debugging, including writing unit tests with code coverage of more than 85%.

Technology Used: Java, Springboot, Maven, MySQL

2. Note-Taker

Description:

- It is a User-friendly note-taking application focused on capturing and organizing important information.
- Allows users to create, edit, and categorize notes effortlessly.
- Streamlines information management through intuitive interface and robust features.

Technology Used: Java, Hibernate, JSP, Servlet, MySQL

SKILLS/TECHNICAL EXPERTISE

- Implemented **API Integration** to fetch and process data from external systems.
- Proficient in **GitHub**, including creating and managing pull requests for code collaboration.
- Hands-on experience with **Apache Tomcat** for deploying and managing applications.
- Knowledge in using tools like **Postman** for API testing and **Swagger** for API documentation review.
- Basic knowledge of manual testing, test cases, UI Automation and API Automation.

TOOLS AND TECHNOLOGY

Category	Skills
Markup & Scripting	HTML, HTML5, CSS, CSS3, JavaScript
Programming	Java
Database	SQL
Frameworks	SpringFramework, (SpringBoot, SpringMVC), Hibernate
Version Control	GitHub
Server	Apache Tomcat

IDE/Tools	Eclipse, Visual Studio Code, IntelliJ IDEA, Postman
OS	Linux, Windows
Testing Knowledge	Manual Testing, basic knowledge of selenium for UI automation and basic knowledge of API testing and automation using REST Assured tool.

EDUCATION

- **Bachelor of Engineering (Mechanical)** – Amravati University (2022), **8.83 CGPA**
- **HSC (General Science)** – (2017), **61.38%**
- **SSC (General Science)** – (2015), **74.80%**

COURSEWORK AND ACHIEVEMENTS

- **CS Core:** Full-Stack Java Developer, Database Management Systems (DBMS), Object-Oriented Programming (OOP).

KEY STRENGTHS

- **Adaptability:** Quick learner, proficient in adopting new technologies.
- **Collaboration:** Strong team collaboration and communication skills.

INTEREST

- Travelling.
- Volley Ball.

PERSONAL DETAILS

- **Father Name:** Chandrabhan Prajapati
- **Mother Name:** Gudiya Prajapati
- **Date of Birth:** 10th July 1999
- **Languages Known:** English, Hindi and Marathi
